

Faculty of Engineering, Architecture
and Information Technology

Dean's Commendation for Academic Excellence

awarded to

Nathan Lucien
Aaron Samuel
Zerbib

The Faculty of Engineering, Architecture and Information Technology,
has determined that students who demonstrate excellence in academic
performance should receive acknowledgment of the achievement.

You are one of a small percentage of students in your course who obtained
a grade point average of 6.60 or higher in Semester 1, 2025. It is therefore
my pleasure to award you a Faculty Commendation for Academic
Excellence. Your academic record will be annotated to show this award.

I congratulate you and wish you well in your future pursuits.

Professor Matthew Dargusch
Executive Dean
18 August 2025
